### **Ministry and Book Endorsements:**

"*Still Holding Hands* captures the bond of a close, Christian couple whose love transcends mortal hardships and points to eternity and love beyond the veil. True love and human emotion are expressed in a mature manner mixed with the innocence of youth and the faith and trust of a child. *Still Holding Hands* reminds us that 'a child shall lead them.'"

Dr. Pat Robertson  
Host of "The 700 Club"

"Stacie Ruth's story has the simplicity of a young girl and yet the wisdom and insight of an adult. You become a family member in this touching story, firsthand experiencing their pain, heartbreak, faith, and love. This is a spirit-filled tribute to her Papa Ray as well as her whole family."

Randy Travis  
Country Music Superstar

"*Still Holding Hands* is a remarkable achievement. One, because such an emotionally mature account of a family crisis comes from such a young author. Two, because the book beautifully captures the enduring strength of a family's love. The message here is critical to a life well-lived. That message is, God makes us human but families teach us humanity."

Senator Charles Grassley, IA

"What a pleasure to meet you and hear your testimony of the goodness of God...I am excited for you as God moves you forward in ministry.
